Sir,

I have the honour to state that the various lands and houses in the Kasarbad Mohalla, Mysore City, marked in the accompanying plan with yellow and red contours, are required by the Palace, for building Mysore Lines. The position of these properties was held desirable by the Board of Trustees for the Improvement of the Mysore City, who in their meeting dated the 25th August 1909 resolved that a should be taken to acquire them.

2 It being found that, procedure to be adopted under the City of Mysore Improvement Regulation for acquiring properties would take considerable time, it is proposed to acquire the properties under the Land Acquisition Regulation and the Power has tentatively approved of the proposal.

I have accordingly to forward herewith lists, in English and Persian, of the properties required for the above purpose, with a declaration statement under Sect

(2

of the Land Acquisition Regulation No VII of 1894, for favour of notification, under your signature, in the Mysore Gazette

4 I further request that the Acquisition Officer of the Trust Board may be authorised under Section 7 and 3(c) of the Land Acquisition Regulation, to take order for the --- acquisition of the said properties, the compensation to be -- awarded for the same being eventually recovered from the Palace Department

I have the honour to be,

Sir,

Your most obedient servant,

Dear Mr. Matthan,

Please see enclosed file about acquiring certain lands in Nazarbad for Palace purposes, i.e., I understand, for building syce's lines. The Huzur Secretary wrote to me as Chairman of the City Improvement Trust Board to acquire the lands, and we have been taking action under the City Improvement Regulation. Under This Regulation, however, a scheme has to be sent up to Government and duly sanctioned, and the procedure will take considerable time. It will be quicker to have the lands acquired under the Land Acquisition Regulation. Kindly therefore submit the matter to the Dewan and obtain his permission to my taking the necessary steps under the Land Acquisition Regulation.

Yours sincerely,
Sd/- K. Chandy.

This may be done.
